- ▶ Pro-actively working with state legislators and regulators in support of sound workers' compensation policy, law and regulations.
- ▶ Hosting seminars featuring prominent speakers whose actions shape the workers' compensation landscape in New Jersey.
- ▶ Conducting vendor fairs where members can learn about services offered by various third party claim administrators, managed care providers, investigative services and other companies serving the workers' compensation community.
- ▶ Providing educational and networking opportunities for risk managers, safety managers, claim managers, human resource professionals and medical professionals.
- ▶ Assisting companies desiring to obtain self-insurance status in New Jersey.
