SELF INSURERS' ASSOCIATION

ABOUT NJSIA - www.njselfinsurers.com

The New Jersey Self Insurers' Association is a coalition of major employers in the State who have taken direct responsibility for the safety and well being of their employees by choosing to self insure their workers' compensation programs.

Our primary mission is to promote and protect the interests of our members. We fulfill this mission by:

- ▶ Keeping members informed of pending legislation and developments within the workers' compensation court system through the publication of timely bulletins and member updates.
- ▶ Pro-actively working with state legislators and regulators in support of sound workers' compensation policy, law and regulations.
- ▶ Hosting seminars featuring prominent speakers whose actions shape the workers' compensation landscape in New Jersey.
- ▶ Conducting vendor fairs where members can learn about services offered by various third party claim administrators, managed care providers, investigative services and other companies serving the workers' compensation community.
- ▶ Providing educational and networking opportunities for risk managers, safety managers, claim managers, human resource professionals and medical professionals.
- ▶ Assisting companies desiring to obtain self-insurance status in New Jersey.
